Positive Feedback for PARENT'S NIGHT OUT

I am so grateful for the opportunity you have provided for the monthly Parent Night. As busy parents it's all too often that we focus all of our energies into our children and other vital responsibilities (which is how it should be) but sometimes we don't take time out to invest in our partners, which is equally as important.

One of my personal goals this year was to make a monthly date night with my husband and I was happily surprised to learn about Parent's Night Out. We have very few family members in the area who can watch our precious little one, so this is a gift we can look forward to each month. It gives us a time to reconnect and enjoy quality one-on-one time while having the peace of mind that our son is in great hands, in a place that he loves. That means more to us than you know. The price is extremely reasonable and includes dinner and activities. We know our child is safe and happy and we also have the chance to enjoy a night out on the town. And, when parents are happy, our kids are happy too. It's a win-win situation.

I truly encourage other parents to take advantage of the opportunity and to share this monthly event with friends and family. It would be great to continue this wonderful event and I thank you again from the bottom of my heart for making this event possible. **We appreciate your efforts!**

Sincerely,

Olivia, Andy, and Alejandro
