WELLSPRING CHILDREN'S ACADEMY OPENS IN THE KATY NEIGHBORHOOD

(October, 2009) Wellspring Children's Academy are pleased to announce the October 26th Grand Opening of a new 10,000 square foot "built to suite" child care and early education private school located on Barker Cypress Road (Barker Cypress & Green Land Way / Across from Schmaltz Elementary).

"Wellspring Children's Academy is committed to teaching Christian faith and values to children ages: infants (from 6 weeks), Preschool, K-Readiness, Private Kindergarten and Before and After School," said May Townzen, Regional Director. "We specialize in an enhanced, Abeka-based® Christian curriculum, offered to children ages 2 yrs through Private Kindergarten. Additional educational programs include: Baby Signs®, Math Their Way®, Fun with Fitness and weekly chapel."

"Our school has been designed specifically with children in mind. Every classroom is fully equipped with, age-appropriate toys and equipment chosen to stimulate, educate and delight children of all ages," Mrs. Townzen continued.

"We cater to the community we serve, by tailoring the activities specifically to the needs and wishes of our families," said Mrs. Townzen.

Wellspring Children's Academy features a Before and After School program which includes free transportation to and from neighborhood schools. The Before and After School program features full day programs during summer break and all school holidays

"We are reaching completion of our state-of-the-art, age-specific playgrounds and Water Park feature," Mrs. Townzen added. "Our custom built Noah's Ark structure containing a computer lab, reading and games area has been a huge attraction to our families." The Ark, housed in the center of the school, is complemented by a stunning animal wall mural.
